

Reloads on ShopWithScrip.com

Shopping with Scrip keeps getting easier!

St. Gregory the Great Parish and School

What are "Reloads" and why use them?

A reload is simply a way to refill a gift card you previously ordered from Scrip.

Reloading your existing gift cards has several advantages:

- Faster turn-around time than ordering a new card
- Reloading the amount that is convenient for you
- Having a positive environmental impact
- Registering multiple cards with unique family names

How to Reload

Reloading on ShopWithScrip.com is simple. Just select the "Reload" option and follow the simple directions. If a family places an order that includes only reload items, Scrip will automatically process that transaction and credit your account for the amount owed St. Greg's. The gift card will typically be reloaded overnight if the order is placed before 3:30 PM Eastern time, Monday-Friday.

There are just a few simple qualifications for "overnight reload":

- 1) **The gift card must be a currently available reload card** - and it must be a card purchased from GLSC. We're adding new retailers to reload all the time.
- 2) **The gift card must be registered at shopwithscrip.com** - It takes just seconds to register a card, and you can easily register the card just before you purchase a reload.
- 3) **You must pay with PrestoPay™** - This online payment system allows Great Lakes Scrip to speed up the activation process.
- 4) **The order must be for reloads only** - If your family combines a reload order with a physical card order, the reload process won't begin until the Scrip Coordinator releases the order to GLSC on Monday. Your family will be notified by e-mail after the card is reloaded. *Tip: If you are placing an order for multiple cards and also want to quickly reload a card, place a separate order for the card reload.*
- 5) **The actual time of reload depends on the individual card activator and the exact time of day the customer places the order.**

Cards available for Reload

Reloads are currently available from Starbucks, Barnes & Noble, The Gap, Old Navy, Banana Republic, Lowe's Home Improvement, Papa John's, Hollywood Video, Game Crazy, AMC Theatres, B. Dalton Booksellers, Exxon, Mobil, and CVS/pharmacy.

Keep an eye out for announcements about more retailers joining the reloading process!
